

*Roses
are
Red*

*Roses are red,
violets are blue
you hug me,
and I'll hug you*

*Roses are red,
violets are blue
you are my best friend,
I'm glad I met you*

*Roses are red,
violets are blue*

*You are my sweetie,
to you I'll be true*

*Roses are red,
violets are blue*

*To see your smile,
there's nothing I won't do*

*Roses are red,
violets are blue*

*My heart skips a beat
when I think of you*

*Roses are red,
violets are blue*

*The depth of my love?
If only you knew*
