FOR YOU

MY WISH

Whether Happy or  
Merry (lit with candles on  
A tree, a lantern,

And find joy in their  
Celebrations, in their Faiths,  
their Humanity.

Heirloom holders on  
Your mantle, a Menorah  
Or a Kinara)

May you find it in  
Your heart to wish, bless, and thank  
All those around you

I hope your special  
Day, or week, and family  
Is full of loving

And peace, joy for your  
Blessings, hope for your New Year,  
Sharing with others.
